

Workshop held on CSRB at Sulcorna

SULCORNNA: Don Bosco College of Agriculture Sulcorna, in association with National Bank for Agriculture and Rural Development (NABARD), organised a one day workshop on Cashew Stem and Root Borer Control (CSRB), at Sancordem, Dharbandora, recently. CSRB causes heavy loss in cashew plantation in Goa. With estimated 10 per cent yield loss every year, the programme was carried out in the presence of Sarpanch and Deputy Sarpanch Jitendra Naik and Neha Kalekar, NABARD DDM Sushil Naik, Rajan Shelke, assistant professor of Agriculture Entomology and RAWEP Programme Officer Dr Shreyas Jadhav.
